

Retabled Budget 2023

Welcome to Budget Adviser, our publication that highlights the various tax measures that were announced in the Retabled Budget 2023.

24 February 2023

The Retabled Budget 2023 was revealed by our new Prime Minister and Finance Minister, Datuk Seri Anwar Ibrahim on 24 February 2023. Themed ‘Developing Malaysia Madani’, the much-anticipated Budget 2023 involves an allocation of RM388.1 billion.

The budget focuses on 12 main efforts that aims to address pressing issues of the country such as overcoming economic challenges, driving the country’s growth and attracting investments, while not forgetting the wellbeing of the society.

This Budget Adviser outlines numerous updates on the various existing tax measures, as well as other new tax proposals.

This publication has been prepared based on the Retabled Budget 2023 speech and the relevant appendices. Further details of the tax measures will be set out in the Finance Bill, which will be released in due course. An update for this publication will be issued by Grant Thornton once the Finance Bill is available.

1. REVIEW OF INDIVIDUAL INCOME TAX RATE

To deal with the high cost of living and to increase the disposable income of individual taxpayers, it is proposed that the income tax rate for resident individuals be reduced by 2% for chargeable income bands of RM35,001 to RM50,000, RM50,001 to RM70,000 and RM70,001 to RM100,000.

For a more progressive tax structure, it is proposed that the income tax rate for resident individuals at chargeable income band of:

- i) RM100,001 to RM250,000 be increased by 1%;
- ii) RM250,001 to RM400,000 be increased by 0.5%;
- iii) RM400,001 to RM600,000 be increased by 1%; and
- iv) RM600,001 to RM1,000,000 be increased by 2%.

The above and the tax savings or additional tax arising from the changes are summarised below:

2. TAX DEDUCTION FOR CONTRIBUTION TO NON-PROFIT ORGANISATIONS CONDUCTING SPORTS DEVELOPMENT PROGRAMMES

To develop a comprehensive sports ecosystem from talent search to podium competitions including maintaining and upgrading sports facilities throughout the country, it is proposed that a tax deduction of up to 10% of aggregate income be given to individuals that contribute to non-profit organisations conducting sports development programmes at grassroots level.

Effective date : Further clarifications required on the conditions for the tax deduction

Corporate Tax

1. TAX DEDUCTION FOR CONTRIBUTION TO NON-PROFIT ORGANISATIONS CONDUCTING SPORTS DEVELOPMENT PROGRAMMES

To develop a comprehensive sports ecosystem from talent search to podium competitions including maintaining and upgrading sports facilities throughout the country, it is proposed that a tax deduction of up to 10% of aggregate income be given to companies that contribute to non-profit organisations conducting sports development programmes at grassroots level.

Effective date : Further clarifications required on the conditions for the tax deduction

2. REVIEW OF INCOME TAX RATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES (MSME)

Currently, a company or Limited Liability Partnership (LLP) with paid-up capital or capital contribution not exceeding RM2.5 million and gross business income of not more than RM50 million in a year of assessment is categorized as Micro, Small and Medium Enterprises (MSME). A MSME's chargeable income is taxed at a rate of 17% for the first RM600,000 and the remaining chargeable income is taxed at a rate of 24%.

To increase the competitiveness of MSME and promote economic growth, it is proposed that the tax rate for the first RM150,000 chargeable income be reduced by 2% (from 17% to 15%), and the tax rates for the remaining chargeable income be maintained at 17% and 24% as follows:

Chargeable Income	Tax Rate
First RM150,000	15%
RM150,001 to RM600,000	17%
RM600,001 and above	24%

Effective date : From year of assessment 2023

3. REVIEW OF TAX DEDUCTION ON COST OF LISTING IN BURSA MALAYSIA

Currently, tax deduction of up to RM1.5 million for 3 years of assessment from 2020 to 2022 is given on expenses incurred by technology-based companies for listing in the Access, Certainty, Efficiency (ACE) Market and by Micro, Small and Medium Enterprises in the Leading Entrepreneur Accelerator Platform (LEAP) Market for the following expenses:

- i. fees to authorities;
- ii. professional fees; and
- iii. underwriting, placement and brokerage fees

To further encourage more technology-based companies and Micro, Small and Medium Enterprises to expand their businesses by increasing their capital funds through listing in Bursa Malaysia, it is proposed that:

- i. the existing tax deduction of up to RM1.5 million on the cost of listing on the ACE and LEAP Markets be extended for a period of 3 years; and
- ii. this tax deduction is also expanded to include the cost of listing technology-based companies in Bursa Main Market.

Effective date : From year of assessment 2023 to year of assessment 2025

4. TAX DEDUCTION FOR EXPENDITURE ON MALAYSIAN-MADE HANDICRAFT

Currently, the hotel industry is known to assist in promoting the use of local handicraft products such as songket decorations, ceramic and wood-based products in hotel premises.

Existing tax treatments for the hotel industry are as follows:

- Initial purchase of qualifying assets are given capital allowance under Schedule 3 of the Income Tax Act 1967 (ITA)
- Subsequent purchase of assets of less than RM2,000 for replacement purpose are given tax deduction under Section 33 of the ITA.

In line with the Visit Malaysia Year in 2025 and to encourage hoteliers to use Malaysian-made handicraft products to support the recovery of the local handicraft industry, it is proposed that a tax deduction of up to RM150,000 be given on qualified Malaysian-made handicraft purchased from local handicraft entrepreneurs registered with the Malaysian Handicraft Development Corporation.

This deduction does not apply to an expenditure where a claim has been made under Section 33 or Schedule 3 of the ITA.

Effective date : For qualifying handicraft products expenditure incurred from 1 January 2023 to 31 December 2025

Corporate Tax

5. TAX DEDUCTION FOR SPONSORSHIP OF SMART ARTIFICIAL INTELLIGENCE (AI)-DRIVEN REVERSE VENDING MACHINE

Currently, tax deduction under Section 34(6)(h) of the Income Tax Act 1967 (ITA) can be given to any relevant person who carries out community projects that provide significant benefits to the public in Malaysia related to the fields of education, health, housing, infrastructure, information and communication technology or maintenance of a building designated as a heritage site, projects to increase the income of the poor as well as environmental preservation/conservation projects.

To encourage behavioural change towards recycling through education and to prevent plastic and aluminum containers pollutions, AI technology has been adapted for plastic waste collection in local communities.

To support the recycling of plastic waste ecosystem and to ensure the collected-for-recycling rate be increased through effective and organised plastic waste collection programme, it is proposed that tax deduction under Section 34(6)(h) of the ITA be given to companies and other than companies (individuals, partnerships, trusts and cooperatives with business income) that make donations or sponsorships of AI - Driven Reverse Vending Machine.

Effective date : Contribution/sponsorship and application received by the Ministry of Finance from 1 April 2023 to 31 December 2024

6. TAX DEDUCTION ON ISSUANCE COST OF SUSTAINABLE AND RESPONSIBLE INVESTMENT LINKED SUKUK

The Securities Commission of Malaysia has introduced the framework on Sustainable and Responsible Investment (SRI) Sukuk which enables fundraising by companies through financing towards improving sustainability practices and supporting the transition to low carbon activities.

The framework on SRI-linked Sukuk aims to address a wider range of financing needs for companies at different stages of their sustainability journey, providing companies with more opportunities for transition to net zero carbon targets and further meet the Government's desire to achieve net zero carbon emissions target by 2050.

To provide an innovative Shariah-compliant financing and place Malaysia as a regional hub of SRI-linked Sukuk issuance, it is proposed that a tax deduction on the cost of issuing SRI-linked Sukuk that is approved or permitted or deposited with the Securities Commission Malaysia be given for a period of 5 years.

Effective date : From year of assessment 2023 to year of assessment 2027

Effective date : Further clarifications required on the conditions for the tax deduction

9. TAX DEDUCTION FOR COMPANY RENTING NON-COMMERCIAL ELECTRIC VEHICLE (EV)

Currently, a company that rents non-commercial motor vehicles, including EV, is given tax deduction under Section 39(1)(k) of the Income Tax Act 1967 as follows:

- i. for cost of vehicle not exceeding RM150,000, the maximum rental amount allowed for tax deduction is limited up to RM100,000; and
- ii. for cost of vehicle exceeding RM150,000, the maximum rental amount allowed for tax deduction is limited up to RM50,000.

To encourage the use of low-carbon vehicles, it is proposed that a company that rents non-commercial EV be given tax deduction on the rental amount up to RM300,000.

Effective date : From year of assessment 2023 to year of assessment 2025

10. DOUBLE DEDUCTION FOR CHILD CARE

In line with the Government's desire to encourage more employers to provide child care centre for their employees, double deduction were given to employers with effect from year of assessment 2013. The double deduction were given to employers in relation to the following expenses:

- i. provision and maintenance of child care centres; and
- ii. child care allowances paid to the employees.

It is proposed that the above double deduction be maintained until further notice.

Tax Incentive

1. TAX INCENTIVE FOR MANUFACTURERS OF ELECTRIC VEHICLE (EV) CHARGING EQUIPMENT

Currently, Malaysia is actively promoting electric mobility ecosystem in line with the National Automotive Policy 2020 and the Low Carbon Mobility Blueprint 2021 - 2030. To widen the infrastructure of EV charging equipment, it is vital to ensure that the product can be manufactured locally at competitive cost.

To further complement the EV ecosystem and to attract immediate high-value investment in the manufacturing of EV charging equipment, it is proposed that tax incentives be given as follows:

- i. 100% tax exemption on statutory income from the year of assessment 2023 to the year of assessment 2032. Companies that make early investments are eligible to enjoy the tax exemption for a period up to 10 years. However, companies that make investments after the year of assessment 2023 are eligible to enjoy the incentive for the remaining exemption period only; or
- ii. Investment Tax Allowance of 100% for a period of 5 years and set-off against 100% of the statutory income for each year of assessment.

Importation of specific equipment for the creative industry such as cameras and broadcast equipment, audio and video systems, studio equipment and filming production equipment is subject to import duty at rates of between 5% and 30% and sales tax of 10%.

To boost the level of creativity of the industry players to produce high value creative content for the domestic and international markets as well as to attract foreign film producers to carry out filming activities in Malaysia, it is proposed that full import duty and sales tax exemption on studio and filming production equipment be given to providers of studio equipment, production and post-production services for a period of 3 years.

Effective date : Application received by the Ministry of Finance from 1 April 2023 to 31 March 2026

2. VOLUNTARY DISCLOSURE PROGRAMME

In year 2022, the Royal Malaysian Customs Department (RMCD) implemented a Voluntary Disclosure and Amnesty Programme (VA Programme) for 9 months from 1 January 2022 to 30 September 2022. The VA Programme was introduced to provide an opportunity for any companies/individuals to make a voluntary disclosure, in good faith for any duty/tax/levy/penalty/surcharge liabilities that remain outstanding on or before 31 October 2021 for all Acts administered by the RMCD e.g. Customs Act 1967, Goods and Services Tax Act 2014, Sales Tax Act 2018, Service Tax Act 2018. The VA Programme offered various remissions of tax and penalty.

It is proposed that a voluntary disclosure programme be re-implemented by the RMCD. Under this programme, a penalty remission of 100% will be granted for voluntary disclosure from 1 June 2023 to 31 May 2024.

Further details are expected to be released in due course.

Effective date : From 1 June 2023 to 31 May 2024

Indirect Tax

3. IMPORT DUTY AND SALES TAX EXEMPTION ON EQUIPMENT FOR CARBON CAPTURE AND STORAGE (CCS) TECHNOLOGY

CCS technology comprises of 3 activities as follows:

- i. carbon capture;
- ii. transportation of captured CO₂; and
- iii. underground or sea bed carbon storage.

To recognize CCS activities as a new source of economic growth and in achieving net zero greenhouse gas emission, it is proposed that full import duty and sales tax exemption be given on equipment used for CCS technology commencing from 1 January 2023 to 31 December 2027 for companies undertaking either CCS in-house activity or CCS services.

Effective date : Application received by the Ministry of Finance from 25 February 2023 to 31 December 2027

Effective date : Application received by the Ministry of Finance from 1 April 2023 to 31 March 2026

Stamp Duty

1. STAMP DUTY FOR TRANSFER OF PROPERTY BY WAY OF LOVE AND AFFECTION

Effective from 1 January 2019, the stamp duty rates on the instrument of transfer of property are as follows:

Sale Price/Market Value of Property (whichever is higher)	Stamp Duty Rate
First RM100,000	1%
Next RM100,001 to RM500,000	2%
Next RM500,001 to RM1,000,000	3%
Next RM1,000,001 and above	4%

A remission of 50% stamp duty is given on the instrument of transfer of property executed between parents and children, and the recipient is a Malaysian citizen.

In order to reduce the cost of stamp duty for the transfer of property by way of love and affection between parents and children, grandparents and grandchildren, it is proposed that stamp duty on the instruments of transfer of property be fully exempted, limited to the first RM1 million of the property's value. The remaining balance of the property's value is subject to ad valorem duty rate and 50% remission is given on the stamp duty imposed. This stamp duty treatment applies to recipients who are Malaysian citizens.

Effective date : Instrument of transfer of property executed from 1 April 2023

2. STAMP DUTY FOR EDUCATIONAL LOAN/SCHOLARSHIP AGREEMENT

In order to streamline the stamp duty treatment for all levels of education, it is proposed the imposition of a fixed duty of RM10 be expanded to include educational loan/scholarship agreement to pursue education at all levels including certificate (education/skills/professionals) in any educational and training institutions.

Effective date : Educational loan/scholarship agreement executed from 1 June 2023

Others

1. NEW INDUSTRIAL MASTER PLAN (NIMP) 2030

The NIMP 2030 is expected to be announced by the Ministry of International Trade and Industry (MITI) in the 3rd quarter of 2023 with the aim to propel industrial development focusing on high value activities and development of local talent.

In this connection, investment agencies and investment incentives will be restructured to a tiered rate incentive which is outcome based, e.g. creation of high value jobs, building supply chain with local firms and creating new industrial cluster.

In addition, the monitoring of investments that were granted incentives will be enhanced to ensure that the anticipated benefits will be fully enjoyed by the country and rakyat.

Others

2. LUXURY TAX ON BRANDED GOODS

It is proposed that luxury tax for items such as luxury branded watches and fashion goods (with a minimum value depending on the item) be introduced from year 2023.

Further details are expected to be released in due course.

3. CAPITAL GAINS TAX ON UNQUOTED SHARES

In line with international best practices, the Government will consider the introduction of capital gains tax at a low rate for the disposal of unquoted shares by companies from year 2024. The Government will be holding engagement sessions with relevant stakeholders on this proposal. Currently, Malaysia impose real property gain tax from disposal of unquoted real property companies shares.

4. ATTRACTING HIGH-VALUE INVESTMENTS

In order to attract high-value investments in the technology sector, the Invest Malaysia Council and National Committee on Investment (NCI) will lead the efforts to expedite the approval of investment projects with high potential. The Special Task Force To Facilitate Business (PEMUDAH) will be enhanced to be the facilitator to cultivate conducive investment and business environment.

The Government will also improve on the procedures for doing business by reducing bureaucracy, including providing incentives to local authorities that have simplified procedures for the implementation of approved investments to ensure investment efforts can be accelerated.

Others

5. SPECIAL VOLUNTARY DISCLOSURE PROGRAM (SVDP)

The Inland Revenue Board of Malaysia (IRB) had previously introduced SVDP from 3 November 2018 until 30 September 2019. Under this program, taxpayers were offered penalty remissions in relation to:

- i. income not previously declared/under declared, expenses over claimed/not allowed and reliefs/deductions/rebates over claimed;
- ii. gains on disposal of assets (real properties and shares in real property companies);
- iii. stamping of instruments not previously stamped; and
- iv. transfer pricing issues.

It is proposed that this program be re-introduced with a 100% penalty remission on unpaid taxes. Further details are expected to be released in due course.
